**Remote Access Policy**

The Administrative Office of Illinois Courts adopted a Remote Access Policy that became effective January 1, 2020. As a result of this policy, you may see some changes in the amount or content of case information that you are able to see on our Portal website. The Administrative Office of Illinois Courts has ordered that all offices with remote access must comply with their restrictions. As a result of this, remote access may now be more restrictive than access at the Courthouse.

Access to court documents is distinguished by two methods of access:

- a. Access to court documents at the Courthouse, whether in electronic or paper form, as allowed by court order, Court Rule or Law.
- b. Remote Access to court documents through a local court document access system, which is Portal in Tazewell County that is allowed by the Remote Access Policy.

Documents not excluded by court order, Court Rule or Law will be available for viewing at my office Monday through Friday from 8:30 to 5:00. Documents not excluded from public view can be accessed electronically at [tazewellcountyil.com](http://tazewellcountyil.com). where there is an Online Court Records link to our public access system, Portal.
